

NBEA Provincially Sanctioned Year End Awards

To be eligible for the following award horse/rider combinations must have attended a minimum of two New Brunswick provincially sanctioned dressage competitions within the current year. Each horse/rider combination will average the top two scores from two different provincially sanctioned competitions within New Brunswick. The champions and reserve champions for each level and division (i.e First Level Junior) are calculated based on the highest and second highest average scores. In the event of a tie the single highest score will be the tiebreaker.
