April 16th – Keynote Speaker Presentation, Demonstration of the Pliance Computerized Pressure Saddle Pad System and Bar-B-Que Supper

*Lunch not
included*

Dr. Waldron will share her extensive expertise on the causes of pain & damage to a horses back. Also the foremost authority in the USA on Equine Lyme Disease, she will discuss the latest research on symptoms, tests, treatment and vaccines.

DEMO- Novel Pliance saddle fitting technology. This cutting edge system uses 252 individual pressure sensors to record and analyse the fit of your saddle.

April 17th - PRIVATE SADDLE FITTING CONSULTATIONS - includes assessment of horses back, saddle and rider by both Dr. Waldron & using the **Pliance** tool. Each gait will be evaluated for otherwise undetectable pressure points that cause discomfort for your horse, resulting in a wide array of behaviour and performance issues.

*FREE Stable use
